Ceiling mount for 2 plasma / LCD screens with a screen size of 22"-60" (adapter for LWB1/3, PWB1/3 or TWB1/3)

The ceiling mount CM3* is an attractive and innovative mounting solution for plasma / LCD screens with a screen size of 22"-60" and a maximum load capacity of up to 120kg. It finds applications especially in public places and places where only mounting to the ceiling is possible. The telescopic connection of pipes provides a possibility of height regulation.

Applications:

- Public utility places (train stations, bus stations, airports, office, etc.)
- conference rooms
- schools
- offices
- laboratories and hospitals
- digital signage applications
- and others

* The product must be ordered in combination with LWB1/3, PWB1/3 or TWB1/3.
