FOR OFFICE & HOME

GD21

LCD/TFT Fixed Wall Mount (14-22")

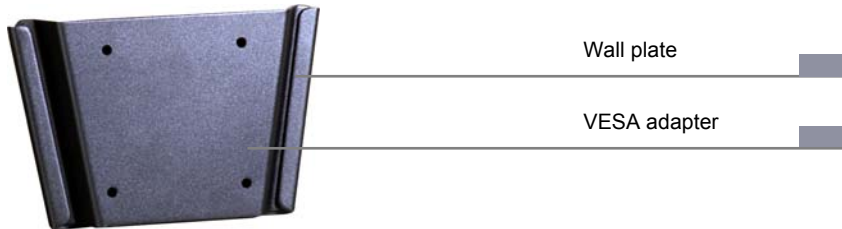

GD21 is a simple wall mount bracket for mounting LCD monitor. The wall mount is VESA standard compliant with VESA® FDMI™ standard 75x75mm.

It allows to hang the monitor on a wall surface like a picture. Installation is very easy: After the VESA mounting plate is attached to the back of the screen the whole unit is hooked on the wall plate.

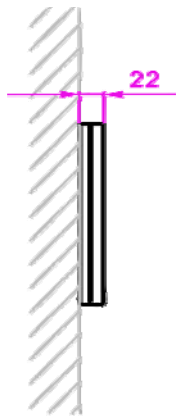

It finds applications in all places where a minimum space for mounting is required, including:

- Offices
- Conference rooms

*The optional component GDA1 provides a 200x100mm mounting interface.
